

Parkside Middle School Physical Education and Sport

Sport Premium Grant

Background

The Government is providing funding of £150 million per annum for academic years 2013/14, 2014/15 and 2015/16 to provide new, substantial primary school sport funding (the funding may continue after this but this has not been confirmed by the DfE.). This funding is being jointly provided by the Departments for Education, Health and Culture, Media and Sport and will see money going directly to primary school Headteacher's to spend on improving the quality of sport and PE for all their children / develop healthy lifestyles.

The purpose of the funding is that schools will have to spend the sport funding in improving their provision of P.E. and sport but they will have the freedom to choose how they do this.

Allocation

Funding for schools will be calculated by the number of primary aged pupils (KS2 pupils - between the ages of 5 and 11) as at the annual census.

Based on a full year all schools with 17 or more primary aged pupils will receive a lump sum of £8,000 plus a premium of £5 per pupil.

Funding Period

The sport funding will be paid for the three academic years 2013/14, 2014/15 and 2015/16.

Accountability

Schools will be held to account for how they spend the sport funding. Ofsted has strengthened its coverage of sport and P.E. within the Inspectors' Handbook and supporting guidance so that schools and inspectors know how sport and P.E. will be assessed in future as part of the school's overall provision offered.

Parkside Middle School

At Parkside Middle School we place great emphasis on the importance of Physical Education and Sport. We work hard to create opportunities for children of all abilities to enjoy the benefits of exercise and competition within curriculum time and through a wide and varied range of extra-curricular activities.

P.E. and Sport at Parkside is firmly rooted in a 'sport for all' philosophy and a belief that children's lives can change for the better through active participation in physical activities and organised competition.

Our pupils have access to excellent modern indoor and outdoor facilities and our P.E. and Sports programmes are delivered by highly trained and specialist P.E. teachers and Sports Coaches.

We have achieved the Sport England Sportsmark award every year since 2003, the School Games Gold award since 2012 and Healthy Schools Status since 2006. In addition, the school is in receipt of a further kitemark for providing best practice in Worcestershire in the areas of 'Physical Education' and 'Extra-Curricular Activities'.

We offer opportunities for pupils of all abilities in the following activities and sports:

Cricket; Football; Girls Football; Tag Rugby; Rugby; Girls Rugby, Netball; Basketball; Hockey; Tennis; Table Tennis; Rounders; Dodgeball; Athletics; Running; Zone Sports; Karate; Gymnastics; Dance; Yoga and Strength & Conditioning.

Spending

The school received a grant of £9200 for primary school sports in the academic year in 2014-15. This money was used in a number of different ways to support the provision of improved quality of sports and PE for all pupils:

- Purchase of additional equipment to provide opportunities for P.E./Sports activities
- Paying for further professional development opportunities and training in P.E./Sport
- Providing additional sports recreational clubs and extra-curricular activities
- Subsidised swimming lessons
- External coaches for specialised activities
- Running sport competitions and increasing participation rates in extra-curricular activities to 86% of the school population
