

## **Parkside Middle School Physical Education and Sport**

### **Sport Premium Grant**

#### **Background**

The Government provides funding to support primary school sport. This is being jointly provided by the Departments for Education, Health and Culture, Media and Sport and will see money going directly to primary schools to spend on improving the quality of sport and P.E. for all pupils and to develop healthy lifestyles.

The purpose of the funding is that schools will have to spend the sport funding on improving their provision of P.E. and sport but they will have the freedom to choose how they do this.

#### **Allocation**

Funding for schools will be calculated by the number of primary aged pupils (KS2 pupils - between the ages of 5 and 11) as at the annual census.

Based on a full year, all schools with 17 or more primary aged pupils will receive a lump sum of £16,000 plus a premium of £10 per pupil.

#### **Accountability**

Schools will be held to account for how they spend the sport funding. Ofsted has strengthened its coverage of sport and P.E. within the Inspectors' Handbook and supporting guidance so that schools and inspectors know how sport and P.E. will be assessed in future as part of the school's overall provision offered.
