Dear Parents/Carers,

Extra-curricular clubs and wider curriculum participation

In response to your feedback, we are pleased to launch a new system to address the concerns related to club allocation and will be trialling the system this term. This system will allow fair allocation of clubs to ensure that all pupils have an opportunity to be involved at some point over the course of the year by offering preference-based bookings.

You will log in to the booking system as before, but you are now able to choose your preferences for clubs. Space will no longer be allocated on a first come first served basis.

We will launch the new booking system on **Friday 10th January at 6:00pm** and the booking preferences will remain open until **Monday 13th January - 6pm**.

You can access the system via the link below and clubs will commence from Monday 20th January and run until 4th April 2025.

[SchoolCloud - Parkside Middle School](#)

You will receive an email confirmation next week of the club/s that your child has been allocated.

Our clubs are over-subscribed and we would like to try to offer places for as many pupils as possible. However, if you do not receive your 1st preference and would like your child to be added to a waiting list, please email office@parkside.worcs.sch.uk

We are hopeful that this new system will address some of the frustrations regarding extra-curricular club bookings and spaces, and we will be happy to have your feedback once the system has been up and running.

Please find below a list of the clubs that will be available this term.

Kind Regards,

Parkside School Office.

As a school we establish and maintain an environment where children feel secure, are listened to and encouraged to talk.

Parkside Middle School is committed to safeguarding and the PREVENT strategy and promoting the welfare of children and young people. We expect all staff and volunteers to share this commitment. Pupils learn to accept and uphold our fundamental British values.

Please see each club for specific details regarding dates and times.
